Aims and objectives

What are your aims and objectives in providing the regulated activities and locations shown in part 3 of this statement of purpose

4 Registered Care Homes (Residential Education & Care)

Cambian Wing College is Independent Specialist College, providing education for students aged 16 to 25 with Asperger Syndrome and associated conditions/difficulties.

1. Kings Park Road, 2. Milton Road and 3.Southwood Avenue 4. Pear Tree House are 38- 52 weeks registered care homes that are linked to the Wing College which exist to provide care and support, also helps individuals who are experiencing difficulties as a result of their Asperger diagnosis and associated conditions/difficulties falling within the autistic spectrum.

Aims and Objectives:

To actively enable each and every one of the individuals in our care to achieve their personal best; however it is defined by them or for them. Everything we do is directed towards achieving this aim.

Flexibility and choice within appropriate amounts of structure is one of our strengths.

As a provider we will:

- provide high-quality education, care and support, help individuals develop and grow, gaining the skills and confidence they need to move onto the next stage of their lives
- provide a facility whereby individuals will be able to keep in touch with their families and friends and be encouraged to maintain links with their own community where possible
- provide a high standard of care, support within a safe homely environment where the individual can feel valued and take pride in their surroundings
- respect the different cultural backgrounds of the individual and their families and to ensure that the individual's ethnic identity is retained and nurtured
- respect the individual's right to privacy and dignity
- respect the individual's right to make decisions
- have regard to Mental Capacity Code of Practice and work in line Mental Capacity Principles
- not to deprive any Individuals of their liberty unless it's in the Person's best interest and authorised
- encourage individuals to express their feelings freely and to respond to it appropriately
- ensure that individuals and their families are aware of what they can expect from the service whilst encouraging them to take part in the day to day decision making process that affects their lives
- provide opportunities that enable individuals to develop their functional, vocational personal and life skills which could then be transferred into next provision/independent living
- in conjunction with education determine individualised programmes to meet the

needs of each individual, enabling them to gain accreditations, work and life skills as identified and appropriate for each person

We aim for all individuals to increase their independence and take on greater responsibility and control over their lives whether that is gaining employment, moving towards independent living or progressing on to further study in line with personal wishes and preferences
