WORK EXPERIENCE

- One student worked at Stourpot Civic Centre, preparing rooms for functions, doing general cleaning and updating notice boards and posters.

New Elizabethan School

Outcomes 2026

PERSONAL ACHIEVEMENTS

- One student used public transport (bus) to get to and from school in 2025/26.
- Five students completed travel training.
- Five students attended a CPR first aid course.

LOOKING TO THE FUTURE

- Five students moved from Year 11 to Post 16 provisions.
- Four students secured post 16 placements at local FE/specialist provisions.
- One student secured a post 19 placement with an alternative provision.

FURTHER COMMENTS

- Three of our Year 11 pupils participated in the 'Getting Court' programme at Worcester Crown Court. They learned how a court works, and were able to have discussions with the Mayor of Worcester. All pupils received a certificate for their participation, and the school received a personal letter of praise from the Mayor of Worcester.
- As a school we have raised money for a variety of things. We raised £55.75 for Childhood Cancer Awareness. Our School Council raised money for the end of year whole school trip to the beach. They raised enough money so all students and staff could have an ice cream/drink.
- Crowsmill has been a successful alternative provision for some of our students struggling to access the curriculum onsite.
- We have set up a range of clubs on a Friday afternoon for students to strengthen skill sets and develop their interests further. The Media Club was the most popular last year with the connections to Black Country Radio.
- A group of students participated in an away football match with another school.
- As a school we have gained stronger connections with Kidderminster Foodbank. Not only did we provide them with donations at the beginning of the academic year, some of our Year 11 pupils completed a stint of WEX with Kidderminster Foodbank. They spent time learning about the Foodbank, how it works, and organising the donations onto shelves.
